Dear Community Partner,

The Joliet Junior Woman's Club is preparing to distribute the funds it has raised throughout the 2016-2017 club year to organizations aiding women and children in need throughout the greater Joliet community.

Since 1958, members of the Joliet Junior Woman's Club have donated countless hours assisting those in need through their service and fundraising efforts. You play an important role in helping us achieve our mission.

The Joliet Junior Woman's Club is pleased to offer you the opportunity to submit a **2017 Funding Proposal Request**. In order for your request to be reviewed, please return the completed form no later than **March 21, 2017**. Decisions regarding funding requests will be communicated to organizations in May.

In addition to funding requests, we are also looking for hands-on opportunities to help organizations that may need our assistance. If your organization has a specific need for volunteers or a special project needing assistance, we would like to hear from you. Please complete the **2017 Service Project Request** following the above guidelines. Potential service projects would take place between August 2017 and May 2018. All requests will be reviewed by our President in June; you will be contacted by a board chairperson after August 1, 2017 if your project will be adopted.

Completed requests will be accepted via email at the following address: [JJWCPHilanthropy@gmail.com](mailto:JJWCPHilanthropy@gmail.com).

We look forward to hearing from you soon!

Best Regards,
